## HVAC Installation Technicians - \$2,500 signing bonus

How would you like to work for a well-established, progressive home services company and become part of a team that delivers critical services to homeowners and businesses in Connecticut? We currently have great opportunities in our home services division, specifically for HVAC licensed installers and service technicians. Our ideal candidates are motivated to provide first class service to our customers seeking new HVAC equipment and upgrades to existing systems, BantamWesson is full-service provider to home and business owners by covering their fuel for home heating and their energy systems running their home. We cover over 80 towns in the New Haven and Litchfield counties, and we cover our customers 24/7. If you have the desire and inspiration to work for a growing company with advancement opportunities, training across trades, generous benefits, and attractive earnings... read on.

*Protecting our employees during this time of COVID-19 is our #1 priority. BantamWesson has implemented all COVID-19 recommendations from the State of Connecticut. We provide personal, protective equipment to all our technicians and provide education and guidance as recommendations change.*

### HVAC Installation Technicians Job Overview:

Progressive, growing HVAC Company seeks motivated and qualified technicians with strong new equipment installation background to help grow our service area. With over \$5 million in sales, consistent, challenging work is available. We expect S License and field experience required. Must fully comply with all CT license requirements and have 2-4 years experience in the installation of propane and oil heating equipment, central AC and DHP and hot water heaters. Work area covers Greater Waterbury, Litchfield County.

### Successful candidates will possess:

- High motivation to provide top notch customer service
- Attention to details, install heating, and cooling equipment for both commercial and residential customers
- Diagnose and repair of electronic, mechanical and electrical components
- Good communication skills to explain your services to our customers
- Effective daily use of windows-based tablets and have the ability to learn and effectively use our industry specific software.
- Working knowledge of OSHA, state and federal regulations for technicians

### This position offers:

- Generous benefits
- Medical, dental coverage

- Paid time off: vacation, holidays and sick time

Hours are Monday-Friday with evening and weekends during busy seasons.

We perform complete background checks and pre-employment drug screening.

- Paid time off: vacation, holidays and sick time
- Company service vehicle with take home options
- Career development training amongst our other trades

Tired of the M-F, on call shifts? Then talk to us about our flex work schedule with different options.

- Must be able to pass criminal back ground check, driving history
- Minimum B2 license, S2 preferred
- Seeking 2 to 3 years in the field
