## HVAC Service Technician - \$2,500 Sign-On Bonus

How would you like to work for a well-established, progressive home services company and become part of a team that delivers critical services to homeowners and businesses in Connecticut? We currently have great opportunities in our home services division, specifically for HVAC licensed installers and service technicians. Our ideal candidates are motivated to provide first class service to our customers seeking new HVAC equipment and upgrades to existing systems, BantamWesson is full-service provider to home and business owners by covering their fuel for home heating and their energy systems running their home. We cover over 80 towns in the New Haven and Litchfield counties, and we cover our customers 24/7. If you have the desire and inspiration to work for a growing company with advancement opportunities, training across trades, generous benefits, and attractive earnings...read on.

*Protecting our employees during this time of COVID-19 is our #1 priority. BantamWesson has implemented all COVID-19 recommendations from the State of Connecticut. We provide personal, protective equipment to all our technicians and provide education and guidance as recommendations change.*

### HVAC Service Technician Job Overview:

Progressive, growing HVAC Company seeks motivated and qualified technicians with strong HVAC service background to work with our 20,000 customers to handle their annual heating system and cooling system tune-ups. We provide service to propane and oil customers in over 80 CT towns covering the greater Waterbury and Litchfield County areas.

### Successful candidates will possess:

- High motivation to provide top notch customer service
- Attention to details, maintain and repair heating, ventilation, and cooling equipment for both commercial and residential customers
- Diagnose and repair of electronic, mechanical and electrical components
- Good communication skills to explain your services to our customers
- Effective daily use of windows-based tablets and have the ability to learn and effectively use our industry specific software.
- Working knowledge of OSHA, state and federal regulations for technicians

**This position offers:**

- Generous benefits
- Medical, dental coverage
- Paid time off: vacation, holidays and sick time
- Company service vehicle with take home options
- Career development training amongst our other trades

Tired of the M-F, on call shifts? Then talk to us about our flex work schedule with different options.

- Must be able to pass criminal back ground check, driving history
- Minimum B2 license, S2 preferred
- Seeking 2 to 3 years in the field
